Allocation: £16,880.00

Aims and Actions Taken	Actions/Resource requirements	Predicted Costings	Intended Impact
To continue to improve activity level at playtime:	Audit current resources and purchase playtime sports equipment. Explore the layout of the playground and create zones for effective sports play. Continue to look for funding to resurface the playground to increase sport activity.	Cost of equipment and play resources: £6,000	Increased sports activity at play times and lunchtimes. Children able to use the space effectively to increase sports activity (greater impact foreseen after the playground surface has been improved)
To further develop the teaching of PE to ensure that all children are able to develop and extend skills, including the more able.	Continue to employ trained sports coach to teach the children key skills and development within competitive sports. Introducing assessment and sporting awards to develop skills. Developing a school football team to compete in tournaments in Andover and surrounding villages. <i>Monitoring of PE lessons will take place in Spring term 2018.</i>	£5,550.00 37 Sessions throughout the year.	Continued uptake of after school football club. Assessment tracking system (put in place by Sports coach and PE lead) evidence of secure progress across the school in key skills. Employed at lunchtimes to develop sport within play and positive play behaviour.
To further develop opportunities for Key Stage 2 children to participate in competitive games.	Sports coach and PE lead to liaise and organise opportunities to attend inter school and county wide sporting events. Contribution to staffing costs to attend fixtures. Transport Costs to attend fixtures. PE lead to liaise with Rural Schools Sports group and John Hanson (feeder secondary) to arrange opportunities for inter school events. Develop school football team.	Contribution to Rural schools Organisation = £150 Supply Costs to enable staff to take children to sporting fixtures: £162.00 x 10 days = £1,620.00 Cost of coach to and from fixtures: £1,500.00	Schools attendance at inter school and county wide sporting events increases. Children's competitive skills improve. <i>Link to Personal development:</i> children evidence a greater resilience within the classroom as well as within a sport. Children demonstrate a greater sense of sportsmanship.
To enrich children's experience of sport: swimming in Year 3 and 4.	Liaise with swimming school (Farleigh School) to plan for 6 one hour sessions in the summer term.
